)

ORDER

THIS MATTER is before the Court upon motion of the defendant pro se for a reduction of sentence based on Amendment 821 to the United States Sentencing Guidelines relating to status points. (Doc. No. 94).

Part A of the Amendment is retroactive and amended USSG §4A1.1 to limit the impact of status points on criminal history category. USSG §1B1.10(d), comment. (n.7). Here, even if status points were removed, the defendant's criminal history category would remain the same under the armed career criminal guideline. (Doc. No. 43: Presentence Report ¶42). Accordingly, he is not eligible for relief. USSG §1B1.10 comment. (n.1(A)(ii)) (defendant not eligible for reduction where another guideline provision prevents lowering of guideline range).

IT IS, THEREFORE, ORDERED that the defendant's motion is **DENIED**.

Signed: June 10, 2024

Robert J. Conrad, Jr.
United States District Judge
